

THE CITROËN RANGE – 2008

Choosing the right vehicle for your Citroën DriveEurope Holiday is an important part of your trip. Citroën offers an extensive range of vehicles regarded by many as some of the most technically advanced vehicles available. All vehicles come well equipped and will ensure your drive holiday in Europe will be a memorable experience.

VEHICLE CAPACITY GUIDE

PASSENGER 69x55x24cm 63x51x22cm 54x40x21cm
This Guide is our recommendation for the number of passengers and luggage suited to the vehicle.

C3

Winner of the 'Most Beautiful Small Car in the World' award the C3 is compact yet generously proportioned. Available in either a 1.4L or 1.6L petrol or diesel, you can be assured that driving pleasure comes with excellent fuel economy – the perfect car for those narrow European city streets, the wide, open country roads or motorway driving. The C3 has one of the largest boots in its class with split folding rear seats for those bulky souvenir purchases! A high level of standard specifications includes 4 airbags, ABS, air conditioning, central locking, cruise control and radio/CD player. The C3 1.6L Exclusive is equipped with alloy wheels, reverse parking sensors, automatic lights and wipers and electronically retractable door mirrors for parking in tight places!

C3 Pluriel (Cabriolet)

C3 Pluriel is the first saloon to win a prize as a cabriolet. The versatile C3 Pluriel offers the advantages of being either a saloon, a pillarless coupe, cabriolet, a full convertible or a 2 seat open ute. Available in 1.4L 8v engine, with the SensoDrive semi automatic gear box. The C3 Pluriel has to be the ideal car for touring Europe, whether it's drifting along the Cote d'Azur with the roof removed, savouring the sensual glory of rural France, or roof up zipping along the German autobahns, or with the roof folded down to revel the glory of the alps.

C4 Coupe

Get about in the sporty 3 door C4 coupe (VTR or VTS) with multifunctioned fixed centred steering wheel, cruise control and speed limiter. Both with 60/40 split folding rear seat back and cushions, ABS, air conditioning and CD system, the VTS also comes with a full glazed glass roof to get a better view of all the sights, 6 airbags, reverse parking sensors, lane departure warning system as well as Xenon dual function directional headlamps and a satellite navigation system.

C4 Hatch

Enjoy the pleasure of travelling Europe in the stylish new 5 door C4 – available with the choice of economical petrol or diesel engines. With generous interior space seating 3 to 4 people the C4 is equipped with driving comforts such as cruise control, speed limiter and a multifunction fixed centred steering wheel. All C4 5 door hatches come equipped with 6 airbags, ABS Brakes, radio/CD audio system, air conditioning, and 60/40 split folding rear seats. The C4 Exclusive models are fitted with a lane departure warning system, Xenon Dual Function Directional Headlights, and Satellite Navigation.

C5 Saloon

One of the most advanced cars available on the car market, an all-luxury saloon with unrivalled levels of space and comfort. While the C5 looks like a sedan it is actually a hatch so when opening the boot the rear window lifts as well to allow for easy boot access. When down the parcel shelf hides the boot from view. An ideal luxury holiday car, the C5 has suspension that can determine the difference between dirt roads and freeways, wipers that know when it's raining and how hard, headlights that know when it's dark and air conditioning that recognises a sunny day. All C5s come equipped with 7 airbags, ABS brakes and air conditioning. The C5 is available with the choice of economical petrol or diesel engines and is also available with automatic transmission options.

C5 Estate

An all-luxury wagon with unrivalled levels of space and comfort. With a totally flat floor and an opening tailgate window the C5 Estate is hugely practical. With the rear seats up it offers a large boot volume of 563 litres and an impressive volume of 1658 litres with the rear seats folded down. The C5 Estate is equipped with 7 airbags, is 5 star Euro NCAP safety rated, ABS Brakes, automatic air conditioning, cruise control, automatic lights and wipers, alloy wheels, ESP, front and rear parking sensors, and longitudinal roof rails. It is available as a manual or automatic transmission with the 2.0L turbo diesel engine.

C6

With stunning looks in keeping with Citroën's reputation for style, the C6 takes the grand tourer concept to a new level. The Citroën C6 incorporates the latest cutting-edge technology and is truly a car to stir the emotions. Choose between the 215hp 3.0i V6 Petrol or the innovative and highly efficient 173hp DPFS 2.2HDi Diesel with enhanced environmental credentials and enviable fuel economy. With more features like Xenon dual-function directional headlamps, tyre pressure warning system, active head restraints and nine airbags available, the Citroën C6 is one of the world's safest cars.

Berlingo

The Berlingo is a good fun, versatile vehicle, seating up to 5 people. The Berlingo comes with the economical 1.6L HDI Diesel engine and has sliding side doors on both sides, providing easy access to the rear seats. Its excellent luggage compartment makes it ideal for camping and the casual traveller. With optional roof racks attached, it can handle your skis or sailboard with ease. Standard equipment includes CD system, cruise control, power steering, engine immobiliser, air conditioning and four airbags. Berlingo also comes equipped with the famous 'Modutop'. Inspired by interior layouts used in aircrafts, it lets the light flood in through roof top panels, provides additional storage capacity as well as ventilation and interior lighting controls.

Xsara Picasso

Sample the style of flexible motoring that has taken Europe by storm by taking a Citroën Xsara Picasso on holiday. The 'footprint' on the road is the same as a small car, but its design means that it has five individual adult seats and a massive boot, which even has a shopping trolley to collect the souvenirs! The seats have fold-down tables on their backs ... there are security lockers built into the floor ... and the high driving and seating position makes it easy to see all the sights. Add a super economical diesel and the Citroën Xsara Picasso becomes the best holiday car on the market! Both models of Xsara Picasso are fitted with 4 airbags, cruise control and alloys wheels.

C4 Picasso 5 Seat People Mover

All the advantages of a versatile MPV are here, such as class-leading cabin and boot space and a commanding driving position. And the visiospace concept has its own benefits. There's outstanding peripheral visibility and light, which makes for safer driving while also upping the 'wow' factor. Easy-to-use modular design, uncluttered interior space and the high levels of onboard comfort are further desirable features.

C4 Picasso 7 Seat People Mover

The C4 Picasso sports distinctive styling and a host of original features that make travelling by MPV comfortable and convenient starting with outstanding visibility and clarity with the wide-angle panoramic windscreen. Class leading interior and boot space, original seat-folding functions that allow the interior to be reconfigured quickly and simply. With 3 models to choose from, all of which feature 6 airbags, roof rails, front and rear automatic air conditioning, cruise control, automatic lights and wipers. The Exclusive models add alloy wheels, front and rear parking sensors with parking gap distance system, panoramic fixed sunroof, MP3, Xenon directional headlights, satellite navigation and rear passenger DVD screens.

C8 People Mover

Citroën's stylish people mover, the C8, will comfortably seat 5 to 8 people and their luggage. It is the ideal holiday vehicle, with enough room to take the whole extended family. An enjoyable and reassuring car to drive, the C8 places the emphasis on comfort, equipment, active safety and occupant protection. C8 comes equipped with 6 airbags, ABS, ESP, 4 zone automatic air conditioning, central locking, cruise control, radio/CD, trip computer, automatic lights and wipers, alloy wheels, rear parking sensors, electrically adjustable front seats on 3 of 4 models offered and a boot net. All C8s come equipped with longitudinal roof rails, sliding cross bars and sliding side rear doors.

PEOPLE	EXAMPLE OF BAGGAGE ALLOWANCE VERSUS NUMBER OF PASSENGERS		
	LARGE	MEDIUM	SMALL
5	4	3	2
7	1	2	2
8	1	1	2

Jumpy 8 Seat People Mover

The Jumpy offers an economical and efficient way for up to 8 people to enjoy European Touring and an alternative to the Citroën C4 Picasso or Citroën C8 people movers. Two rear rows of seats are highly modular allowing you to choose the best seating configuration and the rows are tiered to offer maximum visibility for all passengers. Standard equipment for the Jumpy includes 4 airbags, air conditioning, ABS, Central Locking, Radio/CD, Electric Front Windows, power steering and engine immobiliser.

Jumpy 9 Seat People Mover

The Jumpy offers an economical and efficient way for up to 9 people to enjoy European Touring and an alternative to the Citroën C4 Picasso, Citroën C8 or the Jumpy 8 seat people mover. Two rear rows of seats are highly modular allowing you to choose the best seating configuration and the rows are tiered to offer maximum visibility for all passengers. Standard equipment for the Jumpy includes 4 airbags, air conditioning, ABS, Central locking, Radio/CD, Electric front windows, power steering and engine immobiliser.
